University of Arizona Construction Update

Bioscience Research Lab (BSRL) Building Project - Cherry Ave Closure January 13-16

12/12/16

Cherry Avenue closure between Mabel & Helen January 13 – 16, 2017

Critical activities at the BSRL construction site will require the temporary closure of Cherry Avenue. The detour will be the same as with the previous closure of Cherry in August.

*Cherry Ave. will be closed between Helen and Mabel from 6am on Friday, January 13th through 5pm on Monday, January 16th.

*Both travel lanes of Cherry Ave. will be closed and traffic will be diverted to Mountain Ave. Vehicle Detour Map

*Parking lots 2146 & 2147 entrances will be closed at Cherry Ave. and replaced by a temporary entrance on Mabel St.

*The sidewalk on Cherry Avenue will remain open, however pedestrians are encouraged to take Helen St. to the Warren Pedestrian Mall.

Additional reminders will be emailed after the UA Holiday Break.
